www.pharmsolutions.com

TREATS:
Orchid Pests
Horticultural Fungus
& Garden Pests
Concentrate

Insecticide, Miticide
& Fungicide
**USDA / NOP
CERTIFIED
ORGANIC**
by Oregon Tilth
One Gallon

All-natural & Bio-degradable

Contents: Soap Made with Organic Coconut Oil 63.76%, Organic Soy Oil 19.22% Organic Cinnamon Oil .80%, Organic Rosemary Oil .80%, Sodium Bicarbonate 2.21%, Potassium Chloride 2.21%.

Active Ingredients: Diluted to eight parts water, one part product. Certified Organic Soybean Oil 3.0%, Certified Organic Rosemary oil .10%, Certified Organic Cinnamon Oil.10%

Inert Ingredients: Fatty acids, coco potassium salts, certified organic coconut oil, sodium bicarbonate, potassium chloride (from a mined source) and water.

For Best Results: Spray at Dusk! This lengthens drying time and treatment. Thoroughly water plants in AM. At dusk spray a fine mist on stems, leaves top and bottom. Please do not over spray. Please test! Dilution may be required in 90 plus degree heat to avoid leaf burn. Application during mid-day or high temperatures may cause leaf burn or leaf fall, neither of which should harm the plant. Please test seedlings and ornamentals first.

Controls: Mealy Bugs, Ants, Orchid Pests, Horticultural Fungus, Snap Dragon Rust, Geranium Rust, Thrips, Aphids, Spider Mites, Whiteflies, Scale, Leafhoppers, Earwigs and more. Repeat at first sign of infestation.

Use our **Garlic Pharm™** between applications to repel insects.

Patent Pending

Your pure and natural
answer to Garden Pests.

Designed with your family
and the environment in
mind, all ingredients are
pure and natural, food or
pharmaceutical grade.

 FOR ORGANIC PRODUCTION

This product contains no
alcohol or anti-microbials.
